

# 2011 Code Books! Pre-publish Sale!

The Nebraska Iowa Electrical Council is pleased to offer pre-publication prices on upcoming 2011 National Electrical Code products. For example, you can order a 2011 paperback version of the NEC for as low as \$53.00. This fall the price will be at least \$85.00 Use the form on the back of this page to place your order. All orders must be **prepaid**. All products will begin shipping in the Fall, with the Handbook coming in early 2011.

There are three deadlines and three prices for each product. On the day of a specific deadline, the NIEC will place the order for all of the code products ordered as of that date. At the same time, we will pay for the total order. (It would be nice to order the books now and pay for them in the Fall, but we don't have that option.)

Once the initial order is placed by groups all over the country, the prices will go up for all 2011 NEC products. The prices on this flyer are only good through the order dates below. We cannot accept orders that are post-marked on the deadline. We must have them in hand in the NIEC office, with payment, in order for them to qualify for these pre-publication discount rates.

We have such a small margin in the products that it precludes our offering credit card payments. The fee we have to pay for processing credit cards is more than the margin.

If you are using a purchase order, you can fax the form to 402-483-4481. The invoice must be paid by the date corresponding to the particular prices you have selected.

If you have any questions, call the NIEC office at 402-483-4483.

---

## **Deadlines for orders at each set of prices:**

**FRIDAY, MARCH 5, 2010**

**FRIDAY, APRIL 9, 2010**

**FRIDAY, MAY 14, 2010**
